

HAF FUNDED HOLIDAY CLUB

We are pleased to be able to offer free places, funded by the department of Education, at our regular Holiday Club. For eligible children aged 8+ and who are in receipt of benefits-related free school meals (FSM).

Based near Honley Train station, we offer an exciting woodland site with zipline, seasonal crafts, bushcraft and campfire cooking activities. This HAF funded program is running over 4 days this Christmas and spaces are limited. Please contact us via Email or Text for a 100% discount code that can be used to book both a Holiday Club session and an accompanying catering package.
