It would be good to see as many people dressed up as scarecrows as possible wandering around the town on that day.

Cash Prizes to be won.

All the scarecrows will need to be registered before the event so they can be judged on the day and a map will be included with the general location of the scarecrows around the route. If you would like to make a scarecrow, it can be displayed on the route.

For those not familiar with how to make a scarecrow, Fourth Fiend Taphouse will be hosting 3 free workshops before the event - Wednesdays 17th & 24th April and 1st May. Everyone is welcome.
