

**Year Three  
Autumn Newsletter  
2024**

Dear Parents and carers,

Welcome back! We hope you had a great summer holiday and are ready for an exciting half term in Year 3. Thank you to those who attended our Introductory Meeting on Monday 16th September. Don't worry if you could not attend, as the PowerPoint presentation of the meeting will be uploaded to the school website shortly.

As in Key Stage 1, the children are encouraged to read as much as they can from a range of books, either ones they have at home or from the local library. We aim to change your child's reading book weekly, or when they have finished their book. Now that the children are a little older, we want to encourage the children to be more independent with changing their own books. Please ensure that your child's reading book and reading record are in their book bag every day so they can do this. The children will also have the opportunity to visit the school library and take home library book every week.

Outdoor P.E. is on a **Monday** morning this half term for both classes; please make sure the children come to school in their named PE. We will also go outside everyday (weather permitting) to complete the Daily km. This is a lovely opportunity for the children to get some fresh air and exercise in the afternoon.

It's thirsty work in Year 3 so please make sure your child has a named filled water bottle in school every day. Your child will also need a fruit based snack, as this is not provided by school in KS2.

The children also have the chance to purchase a snack from the tuck shop on Thursday morning, you will need to send your child with no more than £2 to spend at the tuck shop.

Thanks again for your continued support,

Miss Jebson, Class 7 teacher  
Mrs Myers Class 8 teacher

## **Year 3 2024 Autumn Term Curriculum Overview**

<b>Subject</b>	<b>Areas of study</b>
